

Brooms

Wonder Broom

All Wonder Brooms feature Kenyon's signature 60" red powder-coated aluminum handle and twisted "push-pull" bracing. A tough nylon handle thread provides a secure head connection that will not twist or strip out.

Dual Bristles

Versatile Multi-Purpose

Filled with center rows of medium stiff plastic bristles, surrounded by a casing of soft flagged plastic bristles. An ideal combination broom for gardeners, landscapers and anyone wanting to move a heavy load as well as fine dust with the same broom.

Medium Bristles

Superior Sweeping Action

Synthetic mixture of dual diameter, tough, polypropylene fibers. Excellent chemical and abrasion resistance plus superior sweeping action. For smooth and semi-smooth surfaces such as warehouse floors and cement. The best value for maintenance dollars spent.

Stiff Bristles

Heavy-Duty Garage Style

Unaffected by chemicals, oils, or petroleum solvents. Polypropylene synthetic fibers are shaped for moving heavy, caked dirt and debris over rough floor surfaces or asphalt, under wet or dry conditions. A top performing, best selling garage style broom.
