

Brooms & Squeegees

General Purpose Broom

This 24" general purpose broom uses 3" durable polypropylene bristles, firmly attached to a high quality hardwood shoulder with our **super-strong, unique gusset bracing system** - you will not find a better braced broom. It has a 60" ergonomic powder-coated aluminum handle which makes it very comfortable to use and maximizes bristle contact with the surface to be swept.

Duo Broom

This broom has a highly effective sweeping action because of its **combination of strong 3" polypropylene bristles from the General Purpose Broom with an added layer of outside bristles specifically designed to sweep the finest of materials.** For maximum strength, this broom comes with our own **unique gusset bracing** and a 60" ergonomic powder-coated aluminum handle resulting in more broom contact with the surface to be swept. It is available in 24" and 36" widths. *An "economy" version is available, 82902. Please call us for more information.*

Industrial-Maximum Duty Broom

A Midwest Rake exclusive! Made from the same heavy-duty extrusion as our 7' Monster Broom, **this broom is one of the heaviest built brooms on the market. By flipping the broom over, you have a scraping edge for breaking up dirt.** The 28" head is available with two-row or three-row 3" bristles. Comes with our 60" ergonomic powder-coated aluminum handle, excellent for eliminating back strain. **The bristles are removable for easy replacement or for adjusting the broom's stiffness.**
