

Steel Wire Brooms

We offer two styles of steel wire brooms. These brooms are excellent for aggressive scrubbing and cleaning. Choose from either the **16" Round-Wire Broom** or the **most aggressive 12" Flat-Wire Broom**. These two brooms come with either an ergonomic 60" powder-coated aluminum handle or a straight 60" powder-coated aluminum handle and our **super-strong, unique gusset bracing system**. The heads by themselves are also available. **Trim length is 3-3/4" on round wire and 5" on flat wire.**

Monster Warehouse Broom

This **7' wide** tool uses the same solid heavy-duty aluminum extrusion and the same "bristle-row" options as our Industrial Broom. Obviously, the more bristle rows the more forceful the sweeping action.

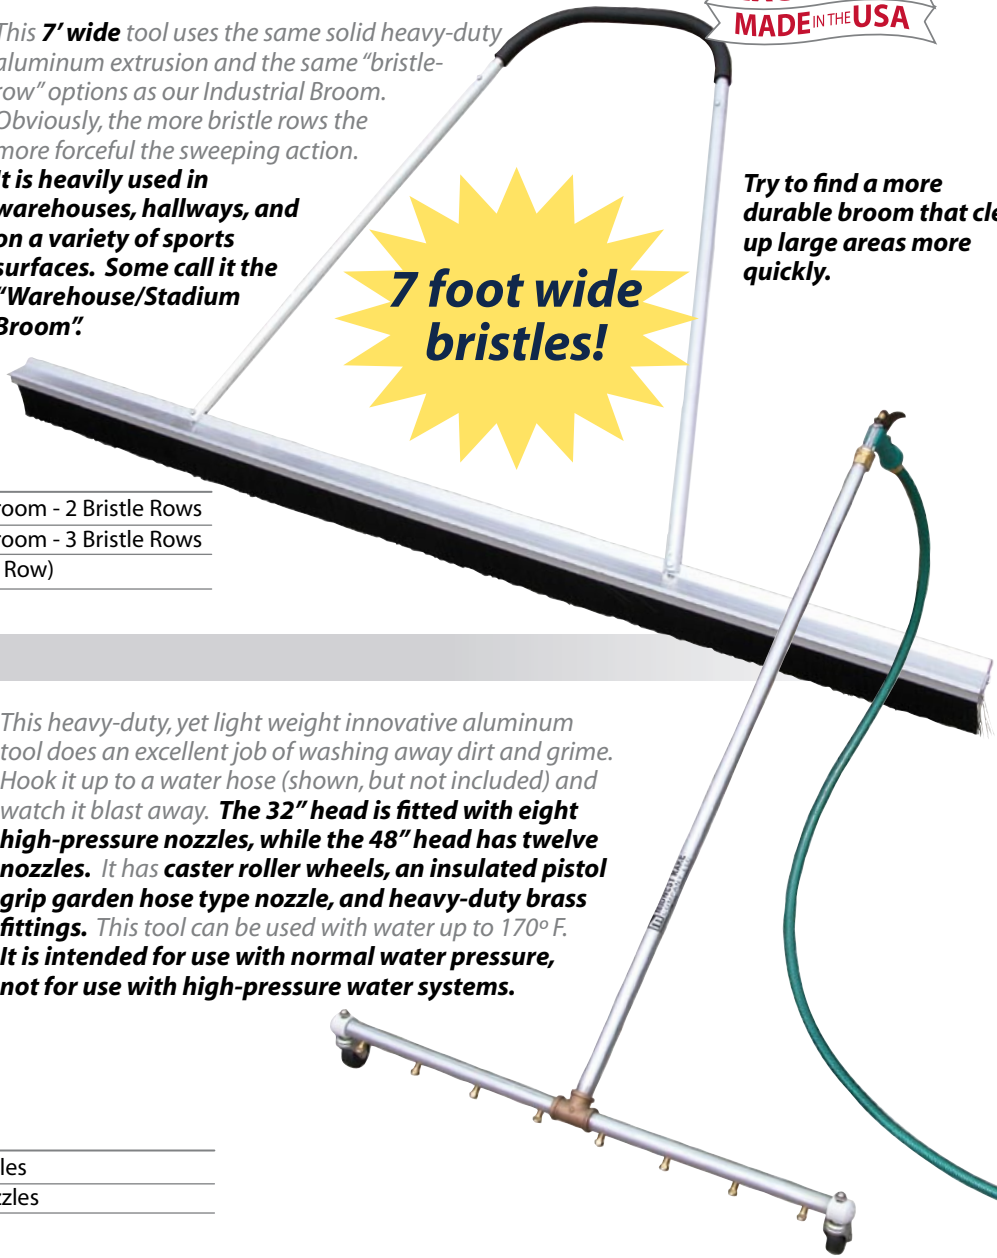

It is heavily used in warehouses, hallways, and on a variety of sports surfaces. Some call it the "Warehouse/Stadium Broom".

**EXCLUSIVE
MADE IN THE USA**

**7 foot wide
bristles!**

Try to find a more durable broom that cleans up large areas more quickly.

Water Broom

This heavy-duty, yet light weight innovative aluminum tool does an excellent job of washing away dirt and grime. Hook it up to a water hose (shown, but not included) and watch it blast away. **The 32" head is fitted with eight high-pressure nozzles, while the 48" head has twelve nozzles. It has caster roller wheels, an insulated pistol grip garden hose type nozzle, and heavy-duty brass fittings.** This tool can be used with water up to 170° F. **It is intended for use with normal water pressure, not for use with high-pressure water systems.**
