

Lake & Pond Weed Maintenance

The AWE

EXCLUSIVE

The Aquatic Weed Eradicator, exclusive to Midwest Rake Company, is the most effective bottom-cutting weed removal tool available on the market. No need for dangerous and expensive chemicals; this tool removes weeds at their source. With a reinforced 28" serrated cutting blade, you don't have to worry about the blades bending under a heavy load of weeds.

Simply an AWESome tool!

87028

- Environmentally safe
- 28" double-edged braced and serrated steel cutting blade encased in an aluminum frame
- 11' 2-piece rust proof powder-coated aluminum handle
- Pushpin splice for easy assembly/disassembly
- Additional extension sections available (Item #87033)
- Comes in POP (point-of-purchase) packaging

Packaged in Point-of-Purchase (POP) Box

1 Simply skim the AWE across the water and let it sink.

2 Retrieve in a short push-pull action.

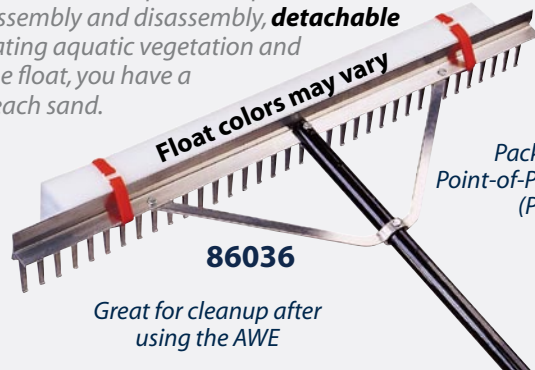

3 Drop the weeds off.

"Dual Purpose" Lake Rake

This 36" wide aluminum rake comes with an 11', two-piece rust proof

powder-coated aluminum handle with pushpin splice for easy assembly and disassembly, detachable polyethylene float and a 50' length of rope. Use it to skim floating aquatic vegetation and algae from the water. By shortening the handle and removing the float, you have a professional-grade landscaping rake, excellent for dressing beach sand.

86036

Great for cleanup after using the AWE

Packaged in Point-of-Purchase (POP) Box

Super Fork

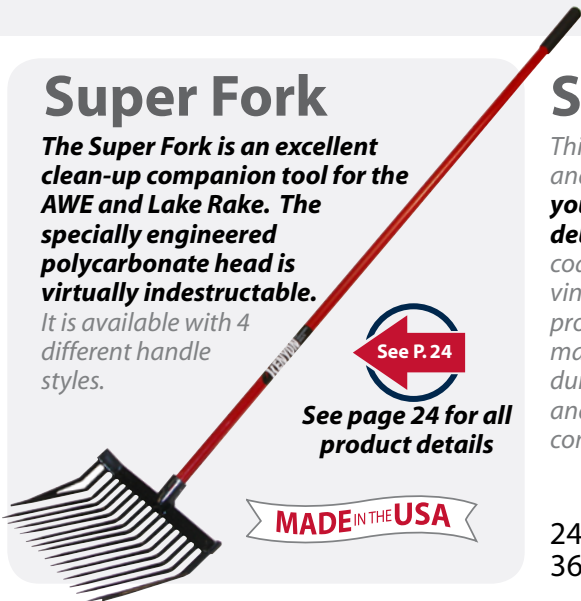

The Super Fork is an excellent clean-up companion tool for the AWE and Lake Rake. The specially engineered polycarbonate head is virtually indestructible.

It is available with 4 different handle styles.

See page 24 for all product details
