

The GardenPro Collection

These tools are heavy-duty, long lasting tools. They come with a 60" blue powder-coated aluminum handle, 6" non-slip vinyl grip, and our exclusive steel plug, which is riveted through after being press-fit into the handle. The loop hoe is also available with a painted hardwood handle and aluminum sleeve.

Combo Tool **EXCLUSIVE** 42103

A Midwest Rake exclusive "must have" tool design! This tool combines the 3 Prong Cultivator with the Loop Hoe. The perfect tool for weeding and cultivating. Loop hoe replacement blade is available (SP10129).

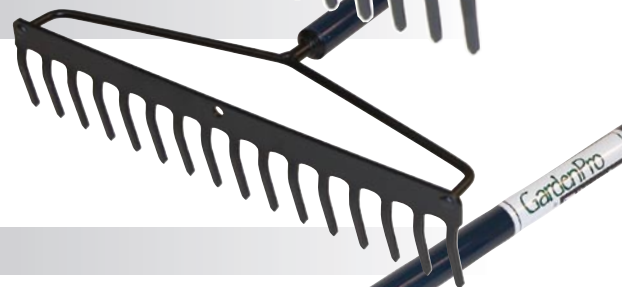

Level Head Rake 40020

This is a favorite in the garden. Sturdy welded steel constructed 16" head. (This rake comes with a 66" powder-coated aluminum handle)

Bow Rake 42316

This 17" Bow Rake head is made with sturdy welded steel construction.

Loop Hoe

Makes light work of regular maintenance in the garden. The double knife edge rocks back and forth with a push/pull motion. Excellent for cultivating, aerating and weeding. The blade is also replaceable.

42100 Powder-coated aluminum handle **42101** Wood handle
SP10129 Replacement blade

Forged Hoe 42410

This heavy duty forged head is 4" X 6" and is extra-strong and durable.

1, 3 and 4 Prong Cultivators

The one prong cultivator is great for digging around plants. The three and four prong cultivators are "right angle" cultivators. These tools will provide years of heavy-duty professional use.

42201 One Prong
42203 Three Prong
42204 Four Prong
