

# "Best Selling" Rakes

## Field Rake

MADE IN THE USA

Engineered to the specifications of landscapers and professional baseball grounds crews, the extended grading edge on this rake was designed specifically for leveling. Its rounded teeth offer smooth non-gouging raking action, while its 66" powder-coated aluminum handle and wrap-around bracing take a real beating, yet still provide for long-lasting comfortable performance.

## Double Play Rake

MADE IN THE USA  
EXCLUSIVE

This innovative and versatile tool has two teeth designs. **The short teeth are used to break up hard-packed clay, while the long teeth are for wet clay and general raking.** Comes with a 24" or 36" head and sturdy wrap-around braces and a 66" powder-coated aluminum handle with 6" vinyl grip.

## ProTurf Lute

MADE IN THE USA

This lightweight, heavy-duty lute combines an engineered head design with our strong wrap-around bracing and is **perfect for spreading gravel or for grading soil.** We use a solid aluminum plug in our head-to-handle connection, unlike the plastic or wood plugs used in many other brands. This lute comes with a 66" or an 82" powder-coated aluminum handle.

## Chisel-Tooth Rake

MADE IN THE USA

The aggressive chisel-sharp teeth and forward grading edge set this rake apart from our others. It is an **excellent choice for penetrating and breaking up hard soils.** The extra-thick teeth hold up to extremely heavy use, while the 66" powder-coated aluminum handle and 6" vinyl grip provide maximum comfort.

## Great Rake II

MADE IN THE USA

The name says it all...this is a "great rake" for raking and leveling skinned areas on any ball field. **The long curved teeth provide more efficient grading on the backstroke, while the deep grading edge allows for superior leveling.** All aluminum construction with a 66" powder-coated aluminum handle and bolted-through wrap-around bracing for added strength.

## Base Runner

MADE IN THE USA  
EXCLUSIVE

The Professional's Choice... **a Field Rake with a telescopic handle. Knocks down for easy storage.** The perfect tool for grooming infields and beach volleyball courts. The high-grade aluminum alloy head was designed specifically for the sports turf industry, but it is also highly respected in the professional lawn and garden industry. The high straight edge is excellent for grading, while the rounded teeth are non-gouging. **The double lock telescopic handle easily adjusts from 39" to 70".**
