Tamps

No more broken handles with our **solid welded steel construction**. These heavy duty tamps are designed for rugged use with maximum strength and even tamping.

EXCLUSIVE 4" x 10"
6" x 12"

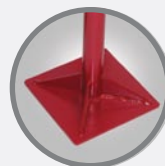

6 different Tamps available. Please see page 34 for all Tamp options

12" Double Dipped Vinyl Grips

8" x 8"
10" x 10"

Loop Hoes

Making sure grass stays out of your sand traps, baselines, or any other loose soil is light work with the loop hoe. The **double knife-edge blade rocks back and forth** with a push/pull motion. Available with a 60" powder-coated aluminum handle with a 6" non-slip vinyl grip or a painted hardwood handle. **The blade is also replaceable.**

Powder-Coated Aluminum Handle **42100** Hardwood Handle **42101** Replacement Blade **SP10129**

Edger

The **extra-wide 12" width of the steel blade** on this edger provides for more efficient edging and trenching. The unique point allows easier penetration of sod or hardened soil and the **generous 1-1/2" wide step** provides comfort plus increased leverage and control. The **48" hardwood handle is angled away from the body for easier use.**

49040

Street Broom

Stiff, extra-long bristles make this **18" broom** an excellent choice when working on rough surfaces. The **bristles are 5" long orange poly-corn** and the broom has our super-strong **unique gusset bracing system** and an ergonomic 60" powder-coated aluminum handle for superior strength and comfort.

Aluminum Finishing Brushes

This brush features a heavy-duty frame and a replaceable 18" or 36" brush. A special feature of the brush is the aluminum head bracket which allows the angle of the 2-1/2" polypropylene bristles to be set within a 60° range to match your preference. Comes with a 66" powder-coated aluminum handle with 6" non-slip vinyl grip.
