

Surface Preparation Tools

Crack Filler Squeegees

Push/Pull V-Crack Filler Squeegee

This tool is designed to work as a push or pull squeegee by simply reversing the socket attachment. No tools required. The "V" is at a 70 degree angle, using a 1/4" x 2" neoprene rubber blade. The 2 inch height adds greater containment and control of material.

Lightweight U-Crack Filler Squeegee

This squeegee is inexpensive, but effective. It is lightweight, **easy to use and is great for filling cracks prior to applying floor coatings or seal coating material.** Its replaceable blade has an inside width of 2-1/2". The blade height is 1-1/4".

For Handle Options

Heavy-Duty U-Crack Filler Squeegee

This squeegee is **built for durability.** It has a steel frame with a 5/16" x 2-1/4" neoprene rubber blade. **The 9-1/2" deep by 3" U-shaped cavity holds plenty of material.** Replacement blades are available.

Scrapers

MADE IN THE USA

A stainless steel blade, available in widths of 8", 12" and 16", attached to our super-strong, unique and durable overlapping gusset bracing system along with a 66" powder-coated aluminum handle, make this one of the most powerful scrapers on the market. **Many contractors custom grind the edge to their liking.**

Description	Blade Width		
	Item No. 8"	Item No. 12"	Item No. 16"

Replacement Blade	SP50027	SP50028	SP50029

Hand-Held Squeegees

Flexible Radius Trowel

Wire Deck & Prep Brush

This industrial size wire brush has a long handle with knuckle guard to get into hard-to-reach places. Faster results can be achieved by using a two-handed approach; apply pressure to the large oval head with one hand, while holding the handle with the other. Maximum wire content for aggressive performance. **12" overall length.**

48038	Wire Deck & Prep Brush

Wire Stripping Brush

This brush has a curved, sander-style handle that comfortably fits the palm and allows the user to press down more firmly when scrubbing. The staggered tufts, instead of rows, provide better coverage and eliminate rake marks. **6-3/4" overall length, 2-1/4" width.**
